klewzow@gmail.com

<https://github.com/klewzow?tab=repositories>

I've been developing websites and web services for more than 5 years (as a hobby). I want to develop my skills to the highest professional level. I equally enjoy working both in a team and independently. I am result-oriented, a quick learner, hardworking, diligent.

Portfolio: <https://elaborate-paprenjak-6a3fd1.netlify.app>

Skills
